One year of Mueller as special counsel, by the numbers ... Thursday marks one year since special counsel Robert Mueller was appointed to investigate Russian meddling in the 2016 US election. Mueller took over an investigation that was first opened by since-fired FBI Director James Comey in July 2016, during the campaign. One-year - definition of one-year by The Free Dictionary Over the one-year study period, 17% of women in the emergency contraceptive group used the method (88% of whom were first-time users), compared with 4% in the control group (71% of whom were first-time users); women in the emergency contraceptive group were four times as likely as those in the control group to use the method (relative risk, 4. One year of Robert Mueller - The Washington Post IT HAS been a year since special counsel Robert S. Mueller III took over the Justice Department's Russia investigation. Since then, by all appearances, he has performed with professionalism, integrity and remarkable efficiency. That is not President Trump's view, of course.

Year - Wikipedia Similarly, year can mean the orbital period of any planet; for example, a Martian year or a Venusian year are examples of the time a planet takes to transit one complete orbit. The term can also be used in reference to any long period or cycle, such as the Great Year. Compare CD Rates for July 2018 | 1 Year CD Rates ... The 1-Year CD rates in the table above are listed based on Annual Percentage Yield, from the highest interest rates to the lowest. By clicking on the plus button to the left of an offering, you can view account details and rate history for that particular product.
